The League is An Amazing Workplace

TALLAHASSEE, FL – The League of Credit Unions & Affiliates is proud to announce that it has been officially certified as an Amazing Workplace™ for 2026. This recognition reflects The League’s commitment to fostering a positive, inclusive, and engaging work environment that values its people as the foundation of organizational success.

The certification followed a comprehensive, anonymous Employee Happiness® Conversation conducted through Amazing Workplace®. With a remarkable 100% participation rate, the results revealed that 82 of 118 employees report feeling happy or very happy at work, highlighting the strength of the League’s culture and employee engagement.

“This certification is a reflection of our incredible team and the culture we’ve built together,” said Samantha A.M. Beeler, President of The League of Credit Unions & Affiliates. “When our employees feel valued, supported, and connected, they can deliver their best work—and that directly benefits the credit unions and members we serve. We are proud of this milestone and committed to continuing to make The League an even better place to work.”

“The happiness and engagement of our people are at the heart of our success,” added Steve Willis, President of *LEVERAGE*. “This certification recognizes the dedication of every team member and leader who contributes to a culture of collaboration, purpose, and excellence.”

The Amazing Workplace™ certification measures employee satisfaction and overall workplace well-being. Leaders who achieve over 90% employee happiness are recognized for their exceptional dedication to supporting their people. The League’s results place it well above national averages, confirming the strength of its people-first approach.
