**Aux Enhances Compliance Support for Credit Unions  
Through Agreement with Comply-YES!**

**TALLAHASSEE, FL** — Aux, a wholly owned subsidiary of *LEVERAGE* and The League of Credit Unions & Affiliates, announced today that it has entered into an agreement with the owners of Comply-YES!, a Michigan-based Credit Union Service Organization (CUSO), to combine their expertise and client relationships.

Clients of Comply-YES! will continue to receive the high-quality service, responsiveness, and support they rely on today. The transition is designed to be seamless, with additional resources and expertise available through Aux Compliance.

This agreement enhances service delivery and supports the evolving regulatory needs facing credit unions, while preserving the high-touch service model credit unions expect.

“Compliance is much more than a requirement—it’s critical to protecting and advancing the credit union movement,” said Samantha A.M. Beeler, President of The League of Credit Unions & Affiliates. “As complexity grows, credit unions need both strong advocacy and practical support. This allows us to strengthen both—ensuring credit unions remain compliant, confident, and focused on serving their members.”

Compliance services will be delivered through Aux, a wholly owned subsidiary of *LEVERAGE*. Aux Compliance currently supports more than 60 credit unions across 31 states, in addition to providing a full range of back-office solutions, including accounting and Chief Financial Officer (CFO) advisory services.

“Building on the strong relationships Comply-YES! has established is a priority,” said Steve Willis, President of *LEVERAGE*. “Our focus is on ensuring a seamless transition and continuing to deliver the high-quality, responsive service credit unions expect.”

Dana Tell, Chairman of Comply-YES! and President of Team One Credit Union, shared, “We are thrilled about this partnership. Together, we’ll amplify the exceptional compliance services our clients know and trust.”
