What's Changing?

Launching at the end of March, InfoSight360 will combine InfoSight, CU PolicyPro, and RecoveryPro into one seamless platform, offering:

✓ **Single sign-on access** – No more juggling multiple logins.
✓ **AI-powered search** – Find policies, regulations, and compliance resources faster.
✓ **State-specific content** – Stay up to date with local compliance requirements, including the option to compare content between states.
✓ **Automatic access for current subscribers** – If your credit union uses any of these tools, you'll be seamlessly migrated.

Even if your credit union doesn't subscribe to all three products, you'll still see relevant compliance content across the platform.
